

**EVIWA**<sup>®</sup>   
Extended Video Wall **30**

### Technical Data:

- 28m<sup>2</sup> Kindwin Viper 7B LED screen equipped with 7mm BlackFace SMD
- Nuance-rich color reproduction
- Integrated soundproof generator
- Brightness: 6000 nits
- Pixel pitch: 7 [mm]
- Color depth: 16 [bit]
- Refresh rate: 2,000 [Hz]
- Picture format: 16:9
- Input signals: 3G-SDI, HD SDI, HDMI, DVI, VGA, CV
- IP Rating: IP54
- External power connection: 63A CEE
- Lower edge of LED display: approx. 3.20 [m] - 4.70 [m]
- Top edge of LED display: approx. 7.20 [m] - 8.7 [m]
- Display size: W 7 [m] x H 4 [m] = 28 [m<sup>2</sup>]
- Display resolution: 896p x 512p
- Viewing angle: horizontal 160° vertical 120°
- 360° freely pivotable screen
- Height-adjustable container
- Weight container: approx. 12[t]
- Weight container including truck: 22 [t]
- Permissible wind load 7 [Bft] = 15 [m/s]  
Installation inland in wind zones 1 - 4, or on the coasts of the North and Baltic Seas in wind zones 2 - 4, or on the islands of the Baltic Sea wind zone 2
- Can be operated by a technician
